

Privacy Policy

This is Version 1.0 of Sports Therapy UK's privacy policy, effective 5/3/10.

The following policy statement explains how Sports Therapy UK protects the privacy of information transmitted over the Internet from its website visitors. Sports Therapy UK takes the privacy of its website visitors and course attendees seriously and is committed to safeguarding user information in full compliance with law, as described in this privacy policy, which explains among other things: The personal information that Sports Therapy UK collects from users of Sports Therapy UK and the protections employed by Sports Therapy UK in safeguarding such personal information.

Non-personal data

Sports Therapy UK collects some generic information automatically, solely to help Sports Therapy UK determine the success and usefulness of its website. This generic information, which does not reveal the identity of the visitor, includes: the country of origin, time spent on the website, most and least popular pages, browser and operating system and the originating website of the visitor. This information aids Sports Therapy UK improve its services by enhancing more popular areas of the website.

Personal data

Sports Therapy UK only obtains specific data about its website visitors when such data is supplied voluntarily, e.g. when website visitors send contact enquiries or places a booking. Sports Therapy UK then uses the data for the purpose of fulfilling the visitors' requests. Sports Therapy UK only collect personal data that are adequate, relevant and not excessive given the purposes for which they are collected.

Data protection

Sports Therapy UK will not sell or reveal information obtained about its visitors to anyone outside of Sports Therapy UK unless: authorized by the visitor, it is legally required, or such disclosure is required to protect the safety of employees, visitors, customers, or property. Sports Therapy UK does not send junk (spam) email, although in some instances, when Sports Therapy UK wishes to contact customers via email, respond to messages, or transmit information requested by a visitor, Sports Therapy UK will use email.

Revision of privacy policy

Sports Therapy UK reserves the right to change this privacy policy at any time without notice and with immediate, retroactive effect on all User information previously collected. Each visitor agrees to review the website regularly for changes in the privacy policy, and agrees to consent in advance to such changes.

Sports Therapy UK wants its visitors and customers to feel that their privacy will be protected when the visitor submits an enquiry online.

Contact Information

Enquiries about this privacy policy, or comments or communications regarding it, including requests for deletion or correction of user information, may be directed by email.
